# A truly unique experience

Ideally located between Bermagui and Tathra on the picturesque far south coast of NSW is Mimosa wines. Nestled in the vineyard with stunning views across the mountains, the Mimosa estate is the ideal setting for your wedding day.

The newly constructed building, designed by internationally acclaimed architect Daryl Jackson provides a beautiful, private venue. The building has floor to ceiling windows, polished floorboards, Tuscan style courtyard, open fireplace and comfortable seating, creating a mood of warmth and intimacy.

Mimosa's menu incorporates locally grown food including seasonal produce; our award winning oysters, crayfish, fish, meats and cheese are a specialty. We are happy to incorporate your ideas to tailor a menu to meet your exact requirements.

The 240 acre property is more than a venue for your wedding. We offer a unique experience for you and your guests. Mimosa has 2 self contained private cottages just a minute's walk to the reception centre. The accommodation is a perfect venue for the bridal party, family or friends to prepare for the special occasion or for a weekend escape. A studio apartment attached to the reception area is available for the bride and groom for the day of the wedding and the wedding night.

Our aim is to provide exceptional service, facilities, food and premium wine so that your special day exceeds expectations.
